[1] Freight is charged per metric tonne on the full rated load of the vehicle named (9 MT or 16 MT), whatever the actual weight loaded. Rates include tolls and 24 hours of free detention. GST extra. Rates are based on a diesel price of Rs 92 per litre at Mumbai. For every Rs 1 per litre increase in the diesel price, the freight rates above will increase by 0.45%, reviewed on the first of each month. We have no limit on the number of vehicles we can place. Rates valid for 12 months subject to this clause.

Annexure: supplier questionnaire

1. Is every vehicle you will place on our lanes fitted with GPS tracking that we can view live?
