Rates are per piece, in Indian Rupees, delivered to your Chakan stores, freight included. GST extra. Where the make offered differs from the make in your enquiry, it is an equivalent and is marked in the remarks. Items not listed above are not in our range. Validity of this quotation: 60 days.

Annexure: replies to your supplier questionnaire

1. Are you an authorised distributor or stockist for every brand you quote as original? Name the brands and cite the authorisation.
Yes. We are authorised stockists for Schneider Electric, Fenner, Fleetguard, Donaldson, Eaton, Gates and Parker, and an authorised SKF sub-distributor. Where we have offered ZKL, Filtrec, L&T or Omron we are authorised for those makes as well. Letters attached.

2. Will you hold stock of the fast-moving lines within 100 km of Chakan and deliver a call-off for them inside 3 working days?
Yes. Stock is held at our Pimpri godown, 30 km from Chakan. Fast-moving lines are delivered within 3 working days.

3. Will you give the manufacturer invoice or a certificate of genuineness for bearings and seals when we ask?
Yes, manufacturer invoice copies will be given for bearings and seals on request.

4. Do you accept payment 45 days from delivery?
We request 30 days. 45 days is acceptable for monthly billing above Rs 1 lakh.

5. Will you hold the quoted prices for the full contract year?
Prices are firm for 60 days and then subject to manufacturer revisions.

6. Will you take back unused items in original packing?
Unused items are taken back within 30 days.

7. Can you supply a breakdown item the same day, and at what charge?
Same-day supply for electrical items in stock. Rs 500 per trip for breakdown delivery.

8. How many plants do you supply on an annual rate contract today?
9 plants.
