Annexure: replies to your supplier questionnaire

1. Do you hold a currently valid ISO 9001:2015 certificate for the plant that will supply us? Give the expiry date.
Our ISO 9001:2015 certificate expired on 31 March 2026. Recertification audit is scheduled for November 2026.

2. Do you test every lot in-house for bursting strength, ECT and BCT, and share the test report with each dispatch?
Yes. BS, ECT and BCT are tested in our lab for every lot and the report travels with the consignment.

3. Is your kraft paper FSC-certified or at least 70% recycled content, with documents available on request?
We use 80% recycled kraft. Mill declarations can be shared.

4. What is your lead time from purchase order to delivery, in days?
7 working days

5. What is your monthly production capacity, in tonnes?
2,400 tonnes per month

6. Do you accept payment terms of 60 days from invoice?
We request 45 days. 60 days can be discussed.

7. How long are the quoted prices valid?
6 months

8. What was your customer rejection rate over the last 12 months, in percent?
0.9%
